

July 24-26, 2016 • Las Vegas, NV

The Cosmoprof North America (CPNA) event takes place July 24 – 26, 2016 in Las Vegas. Through the use of control guidelines (hard walls) and color combinations, a professional atmosphere will be created. This document outlines the requirements placed upon the leasing exhibitors in order to ensure continuity and controlled expression throughout.

Cosmoprof North America is strictly a Business-to-Business event. “Cash and Carry” of product(s) and/or services is strictly prohibited. Exhibitors are encouraged to express their individuality through creative planning, lighting, graphic signage and other presentation techniques. The interior space should express the individuality and character of your company within a professional manner.

For the mutual benefit of all leasing exhibitors, you are required to comply with the design criteria. Review of designs and any interpretation required of the design criteria will be made through CPNA.

Exhibitors should carefully read the sections of this manual pertaining to the wall system being implemented for space. This document describes first, the existing conditions to be provided by CPNA, and second, the general criteria describing guidelines that are to be followed. The exhibitor or his agent must design and supply all display, furnishings, decorative items, etc. Please review the information provided in this Exhibitor Resource Guide on furnishings and other services provided by GES Exposition Services, the official show contractor.
