## Details Matter When Shipping

Material Handling is the unloading of your exhibit materials. The service includes delivery to your booth, handling of empty containers to and from storage and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost to transport your exhibit material to and from the event.

- Unloading the freight and delivery to your booth is not included. Avoid unexpected costs at show site and estimate the cost for this service. <http://e.ges.com/011600464/item/200500>
- We understand that your calculation is only an estimate. Invoicing will be done from the actual weight. Adjustments will be made accordingly.
- Save by combining shipments. A minimum charge applies for each shipment under 200 lbs.
- Make sure that a Bill of Lading is filled out completely for each shipment.
- Confirm that your driver has the correct dates and times that your shipment needs to be delivered and picked up.
- Use provided shipping labels to make sure show name, booth number and other vital information is provided.

## No Tipping

GES work rules prohibit the solicitation or acceptance of tips in cash, products or gifts of any kind by any employee. Our employees are paid appropriate wages denoting professional status; therefore, tipping of any kind is prohibited.

## Where Did My Crates Go?

After your exhibit is set-up and your products displayed, you must place "empty" stickers on your empty containers for storage during the show. At show site a kiosk with a floor plan and color coded "empty" stickers will be available. Crews will clear the floor of all "empty" stickered containers to clear room for other freight.

- Simply write your booth number, company and show name on the sticker and place the container in the aisle. It will be stored throughout the exposition and then returned to your booth upon show close.
- Place stickers on all four (4) sides of the crate.
- Please label your empty containers as soon as possible to keep your area clear and make it easier to prepare your booth.

## Don't Forget to Take Out the Trash

Exhibitors planning on disposing of booth properties and/or floor covering at the end of the show should pre-order this service. In the event that excessive booth properties and/or floor covering are abandoned/left on the floor at the conclusion of a move-out, a dumpster fee will be billed to the exhibiting company.

## Keeping Up Appearances

Pay close attention to your booth size when ordering items based on booth sq. footage or quantity of decorating items. Please do not order more than what will comfortably fit in your space.

- Exhibitors that order two (2) standard pre-cut carpet pieces should keep in mind that there will be a visible seam where the pieces of carpet are placed together. GES cannot guarantee that carpet colors will be an exact match due to dye lot differences.
- Order just enough carpet to fit your standard booth space. A 10' x 10' booth should not order 10' x 20' carpet.
- We custom cut carpet to fit your needs.

## It's All About the Padding

Ordering carpet for your booth? Think about the kind of padding you need if you are going to be on your feet all day. That little extra cushion can make all the difference at the end of the day.

Carpet and Padding: <http://e.ges.com/011600464/carpet/esm>

## What Goes Up Must Come Down

If labor is needed for your booth space at the time of move-in, you will also need labor for move-out. Remember, what you put up must be taken down.

- See Labor Information form for rules specific to the show. Work rules can vary based on show location.
- Gratuities in any form, including cash, gifts, or labor hours for work not actually performed are prohibited by GES.
- All rates are subject to change if necessitated by increased labor and material costs.
- Pre-order labor to save.

## Teamsters Union

### Exhibit Labor

Teamsters Union Local #631 has jurisdiction through a labor agreement with Global Experience Specialists, Inc. (GES) for the erection, touch-up painting, dismantling, and repair of all exhibits when this work is done by persons other than your full time company personnel. This work is to include wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes.

Local #631's jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance or repairs of your products.

If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card or payroll stub. This rule prohibits the utilization of workers hired from a non-union agency or company. To secure labor, please utilize the GES labor forms enclosed.

### Freight Handling

Teamsters Union Local #631 has jurisdiction through a labor agreement with Global Experience Specialists, Inc. (GES) for the loading and unloading of all trucks, trailers and common and contract carriers as well as the handling of empty crates and the operation of material handling equipment. It also has the jurisdiction of the unloading, uncrating, unskidding, leveling, painting and assembly of machinery and equipment as well as the reverse process.

Global Experience Specialists, Inc. (GES) has the responsibility of receiving and handling all materials and empty crates. It is our responsibility to manage docks and schedule vehicles for the smooth and efficient move-in / move-out of the trade show. Global Experience Specialists, Inc. (GES) will not be responsible for any material it does not handle.

An exhibitor may hand carry material provided they do not use material handling equipment to assist them. When exhibitors choose to hand carry material, they may not be permitted access to the loading dock / freight door areas.

## Electrical Union

Electricians do electrical work, electrical sign hanging, and lighting without dimmers. Electricians always hang electrical hanging signs including rotating and header. Video monitors and plasma screens are installed by electricians unless a live feed is required.

In the case of live feed requirements, Stagehands must perform the work. Electricians distribute power from the source to the booth space.

An exhibitor may plug lights into one extension cord or multi-strip plug (up to 6 plug-ins) at the back or side of the booth as long as the manufacturer cord reaches from the light fixture to the outlet and the power source needed for the lights does not exceed (1) 20A/120AC outlet.

Electricians must be called for distribution of power and hook-up for total combined wattage within booth space exceeding 1 (one) 20A / 120VAC outlet including concealed and over/under carpet wiring. Electricians distribute and hook-up all 208V and 480V power. Electricians hoist Teamster assembled signs weighing 300 lbs. or greater at LVCC. SES hoists signs weighing 200 lbs. or greater at the Sands Exposition.

### Trusses

Ground supported, stand alone, whose sole purpose is overhead distribution of electrical equipment is to be installed and removed by the electricians. Suspended trusses, with motorized hoist and non-dimmable and non-programmable lights are electrician's work.

## Stagehands

Stagehands handle programmable theatrical lighting, production, related rigging, and audio-visual. Suspended trusses with or without legs, that contain dimmable or programmable lighting, studio or motion picture lighting, sound system projectors, video wall, special effects equipment, and laser lighting are to be installed and removed by the stagehands. If the above list of equipment is not present on the truss, then it is either Teamster or Electricians as stated above. Meeting room ground support truss with Stagehand's equipment is Stagehand's responsibility.

## Gratuities

Our work rules prohibit the solicitation or acceptance of tips in cash, product or gifts in kind by any employee (union or non-union). Our employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

Cosmoprof North America - International  
Mandalay Bay Convention Center  
July 29 - 31, 2018

## Payment for Services

GES requires payment in full at the time services are ordered. Further, GES requires that you provide a credit card authorization with your initial order. For your convenience, we will use this authorization to charge your account for services, which may include labor, material handling, or any applicable fuel or energy surcharges.

## Discount Prices

To qualify for discount pricing, orders must be received with payment on or before the discount price deadline(s).

## Method of Payment

GES accepts MasterCard, Visa, American Express, check and bank ACH/Wire transfer.

Purchase orders are not considered payment. All payments must be made in U.S. funds drawn on a U.S. Bank. Exhibitors will be charged a \$50.00 fee for returned NSF checks.

## Third Party Billing

Each exhibiting firm is ultimately responsible for all charges incurred on its behalf. GES reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See Third Party Billing Request form.

## Tax Exempt

If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the GES office for this show.

Taxes vary by location and will be added to your invoice if you do not submit your tax exempt certificate prior to the deadline.

## Adjustments and Cancellations

No adjustments to invoices will be made after the close of the show.

Please refer to the individual forms for labor and furnishings for cancellation fees. All orders cancelled by the Exhibitor or due to the cancellation of an event or their non-participation may be subject to cancellation fees equal to 50% - 100% of the total order, based upon the status of move-in, work performed and/or GES set-up costs or expenses.

A minimum non-refundable deposit of \$25.00 will be applied towards the invoice, unless there is a cancellation of your order. Additionally, GES retains the right to implement/assess a fuel or energy surcharge on all services as necessary based upon market conditions.
